

WA Excel Cup Inc
Circuit Excel
Category Sponsor Decal Requirements

The WA Excel Cup Inc. receives support from sponsors and associated companies which benefit the promotion, management and running of the series. In order to recognize this support all competitors within the class are required to display "Sponsorship Decals" on their vehicles as documented below. These decals shall be applied in addition to those required by completion rules such as racing numbers and competitor identification decals which shall be applied as required by the CAMS Manual. The Association Sponsors stickers must be on the vehicle in the correct location and unmodified to receive points for the WA Excel Cup Inc. Championship.

Decals to be applied to Vehicle for WA Excel Cup Race Series

(As documented in sample diagrams on Page 2 of this document.)

1. Window Banner promoting the Series and our series Sponsor SAVS Auto Electrics.
2. Front and Rear SAVS Auto Electric Number Plates.
3. Hyper IT Decal applied to upper edge of rear window, aligned centrally to the vehicle.
4. 2 CAMS sticker, 1 each side, to upper rear corner of each front guard.

Supply of Decals

Typically Decals shall be supplied via the Association Secretary please direct enquiries accordingly, 1 x SAVS Auto Electrics banner and 2 number plates as supplied by the sponsor will be provided to new entrants. 1x Hyper IT Decals will also be supplied.

CAMS decals are to be requested from CAMS, license holders can request these decals to be posted out.

Allowance for Future Supporters

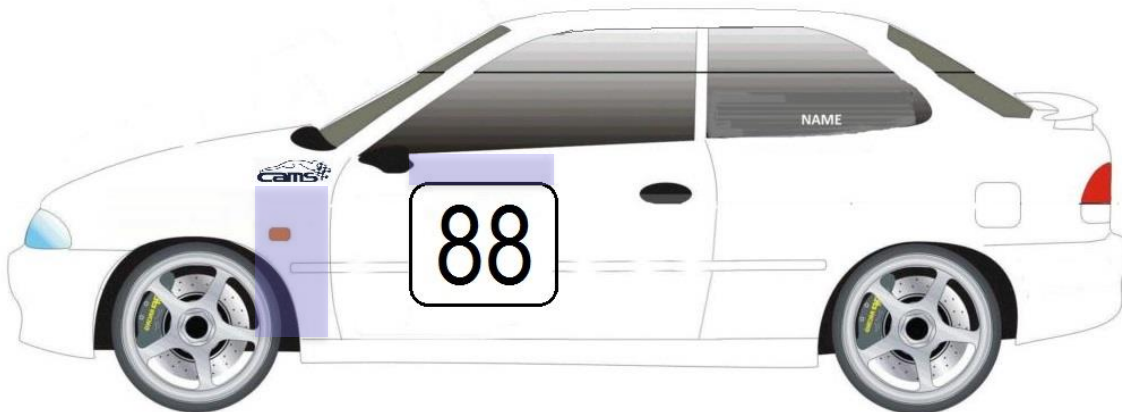

The association may from time to time get additional category sponsors or require additional decals to be applied. To allow for this space should be left below the CAMS logo on the Front Guards, above the Race Numbers on the side doors below the window, and the upper portion of the rear window either side of existing Hyper IT Decal. Should the Association require these locations to be used for additional decals any existing decals competitors have in these areas shall be removed to allow application of the category decals. Locations are as per the shaded areas in the diagrams on page 2.

Decals required for special events or non WA Excel Cup races

From time to time Competitors may race in interstate or other non WA Excel Cup events where they may be required to display alternative windscreen banners or decals. It is the Competitors responsibility to return their vehicle to a condition compliant with the WA Excel Cup requirements prior to re-entering the vehicle in WA Excel Cup competition.
