The Circuit

The Facilities

Expressions of Interest

Expressions of interest are sought from competitors wishing to compete in the 2021 Circuit Excel Nationals by completion of the form attached to this information pack.

The expression of interest is not a formal entry, nor does it require any payment from competitors. The information is sought to enable CERA, The WA Excel Cup Association and WASCC to plan the event.

Further information packs shall be released during the year as the entry process commences and the management of COVID 19 in Australia becomes better understood.
